

1) closed, 2) open

Basic features

Principle of operation	Clamp holder
Scope of delivery	Clamp holder (1x) Nut DIN 1763-M24x1.5 (2x)
Use	For M18 sensors

Environmental conditions

Ambient temperature	-25...70 °C
----------------------------	-------------

Material

Material	Brass
Surface protection	White bronze

Mechanical data

Dimension	Ø 30 x 36 mm
Mounting	Clamps
Tightening torque	25 Nm

Remarks

For proximity switches with mounting length 33 mm and longer.
 The clamp holder was designed to retain size M18 proximity switches.
