

1) O-ring

Basic features

Principle of operation	Adapters in general
Scope of delivery	Adapter O-ring $\varnothing 14.0 \times 1.5$, FPM 90
Use	for pressure sensors with G1/4" inside thread

Material

Material	Stainless steel (1.4301)
-----------------	--------------------------

Mechanical data

Process connection	G 3/8" inner
---------------------------	--------------
